SMALLEST SALE OF SEASON MONDAY

Only 83,575 Pounds Sold. Average \$9; Top Price \$38. Henderson Average \$6.98.

Regarding the tobacco sales over the loose leaf floors in Owensboro, on Monday, the Owensboro Messenger says:

"There were only 83,575 pounds of tobacco sold over the local loose leaf floors Monday, this being one of the smallest sales of the season. The tobacco was of good grade, however, and the average was \$9. The quality of tobacco at the west-end houses was better than at the houses in the eastern part of the city.

"Heavier deliveries are expected to-day, as a good many farmers will probably bring tobacco to the market in order to get money for Christmas. The market will close at the end of sales Wednesday and remain closed until next week.

"The highest price paid for tobacco Monday was \$38. There were several baskets which sold for over \$30. The highest average for the day was \$10.62 made at the Owensboro house on 38,680 pounds. The Birk house sold 16,595 pounds, for an average of \$8.73. Henderson Average \$6.98.

Henderson, Ky., Dec. 20.—There was a sale of 137,155 pounds of tobacco over the Henderson loose leaf floors today at an average of \$6.98 per hundred pounds. The top price was \$31.

Expect Good Burley Prices. Lexington, Ky., Dec. 20.—Nearly 2,000,000 pounds of Burley tobacco is

now on the floors of Lexington warehouses awaiting the opening of the market here January 3, it was estimated today by tobaccoists, who continued their efforts to keep low grades off the market in an attempt to keep the price for the better grades worth while.

CHRISTMAS TRADING IS BRISK

Local Merchants Enjoying Good Holiday Sales; Parcel Post Business Good.

Christmas trading has been brisk with the local merchants in the last few days. Saturday there were many country people in to do their Christmas shopping, and in order to give them the best of attention the merchants are anxious for the town people to shop early in the day. Monday was another busy day, but the rain on Tuesday kept many of the would-be shoppers at home.

In spite of the general complaint of "hard times" there is evidence that some are still enjoying a bit of prosperity. At one of the leading drug stores where they handle a special line of jewelry, four diamond rings, ranging from \$32 up, have already been sold with outstanding orders for more. Handsome gaskets filled with candy have sold like "hot cakes," and so on with the more practical gifts which the various stores are offering. Another reminder of pre-war times first ones since the war. The ale of the imported dolls. These are the dolls is always good and this year they are selling as fast as they are brought out on display.

One of the biggest evidences that Christmas is at hand is found at the local post-office where the parcel-post business increases with every mail. Altho Postmaster Lightfoot states that the amount of mail that goes through his office is about the same as usual.

ANNOUNCEMENT

On and after January 1, 1921 I am going to adopt a cash system for selling merchandise. I will sell for cash only. I am doing this for two reasons. One is it will place me in position to sell you goods from 10 to 15 per cent less than I can sell them now. The capital it takes to carry long standing accounts compels a merchant to sell goods for a larger per cent of profit. Besides it enables the man that pays cash to buy his goods a great deal cheaper and the man that buys on credit can borrow money and save from 6 to 10 per cent by paying cash. And another thing it eliminates all errors that are liable to happen in book keeping.

Second, it will do away with the work and expense of keeping books which adds largely to the overhead cost of doing business. As I am going to adopt the cash system would ask that everyone who is indebted to please make their arrangements to settle all accounts by the 1st of the New Year 1921.

I am sure it will mean much in dollars and cents to both parties concerned.

I want to thank my many friends and customers for past favors and solicit your valuable patronage in the future.

E. A. HARDESTY, Stephensport, Ky.

IS THERE A SANTA CLAUS? YES, VIRGINIA, THERE IS.

The following editorial was written by the late Francis Church and published the first time in the New York Sun, Sept. 21, 1897. And since then it has been reproduced in the same paper besides weekly newspapers and magazines all over the country. Thus it bears the distinction of having had more publicity than any other editorial ever known to have been written.

Once before "Is There a Santa Claus?" appeared in The Breckenridge News and because of the beautiful sentiment and the happy teachings portrayed by this talented writer, we believe our readers will enjoy it again at this Christmas season.

FROM THE SUN OF September 21, 1897.

We take pleasure in answering at once and thus prominently the communication below, expressing at the same time our great gratification that its faithful author is numbered among the friends of The Sun.

Dear Editor: I am 8 years old. Some of my little friends say there is no Santa Claus.

Papa says "If you see it in The Sun it's so." Please tell me the truth: is there a Santa Claus?
115 West Ninety-fifth street.

Virginia O'Hanlon.

Virginia, your little friends are wrong. They have been affected by the scepticism of a sceptical age. They do not believe except, they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exists, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in faries! You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see faries dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You may tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernatural beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God! he lives, and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood.

It cost the government \$23,675,000 to take the 1920 census, which was on an average of about a dollar a family. Perhaps there were families where members would have cheerfully given Uncle Sam a dollar rather than tell how many birthdays they have had.

It's a great thing to live so that you are at "peace" and have "goodwill toward" your fellowmen. One cannot fully enjoy Christmas or any other time without such peace.

If you want to get the Christmas spirit, read the Santa Claus letters in this issue.

Remember there will always be some who are less fortunate than you at this festive time of the year. Keep their hearts cheered too in some small way.

A merry Christmas to you all.

TOLEDO WOMAN HAS GAINED TWENTY-FOUR POUNDS

Suffered For 12 Years But Now Feels as Well as She Ever Did in Her Life.

"I have actually gained twenty-four pounds in weight in the last few weeks," and but for Tanlac I don't believe I would be alive today," said Mrs. Gertrude Gartree, of 528 1-2 Broadway street, Toledo, Ohio.

"For the last twelve years I have been in a terribly poor state of health and getting worse all the time. My appetite was so poor I just had to force down everything I ate, and always after meals I had sharp pains in the pit of my stomach and a burning there that felt like a coal of fire, and I suffered agonies from the gas that was always forming.

"I was so nervous I shook like a leaf. I had almost forgotten how it felt to lie down and sleep quietly all through the night. There was a swelling in my feet and legs that bothered me a great deal, and I was so weak I would break down if I tried to get through my house work. I was just about half dead, and had taken so much medicine that did me no good I had despaired of ever being well again.

"But to see me now, nobody would think I had been through all these sufferings. My appetite is splendid. I feel hungry all the time, and never have to worry for fear of misery I used to suffer. For everything agrees with me now, and I have gained so in weight and strength I feel as well as I ever did in my life.

"The swelling has disappeared from my feet and legs and I never have a particle of nervousness. I sleep fine now, and in the mornings feel so good it's nothing for me to take care of my two children and do all my housework."

Tanlac is sold in Cloverport by Wednesday's Drug Store, in Kirk by Mattingly Bros., in Addison by L. D. Addison, in Ammons by Wm. H. Dutschke, and in Stephensport by R. A. Shellman.—Advertisement.

WHAT ARE YOUR CHANCES OF SUCCESS?

Do You Step Out With Snap and Vigor? Are You Able to Get Things Done?

DON'T STAND IN YOUR OWN WAY

People With Thin, Weak Blood Have a Hard Time of it. They Should Take Pepto-Mangan.

Look at the facts of your health. So much depends on having red blood. If you stand up in front of your work with half-starved blood in your system you are standing in your own way. You are blocking your own progress.

Thin blood makes you dull. It makes you pale. You take no enjoyment out of your work. It is only half as good as it should be.

You can remedy that condition so easily. Begin taking that fine tonic, Pepto-Mangan, today and keep it up for awhile. Your blood will become nourished. Pepto-Mangan makes red blood corpuscles. You will get energy and strong power of resistance. Instead of standing in your own way you will push yourself ahead because of greater vitality.

But be sure you get the genuine Pepto-Mangan. It is put up in both liquid and tablet form. Ask for "Gude's" and be sure that the name is on the package. The tablets or the liquid have the same medicinal value.

OLD SOLDIER TESTIFIES TO WONDERFUL MERITS NUMBER 40 IN CONSTIPATION, STOMACH TROUBLE AND CATARRH

National Home, Wis., May 12, '19. "When I commenced taking Number 40 For The Blood, I was suffering with chronic constipation of a good many years standing, which finally developed into stomach trouble which got so bad I was unable to eat anything that did not cause great suffering. I tried a good many doctors as well as everything I could hear of that was recommended for my complaint. I was also troubled with catarrh of long standing and I had dropsical swellings in my feet and ankles which the doctors said was caused by a weak heart. I had about given up hope of being much better when I saw an ad. of your No. 40 in a country paper and concluded to try it. I felt so much better after taking one bottle that I sent direct to you for three more bottles. I have taken

about two and a half bottles and while not feeling entirely well, I believe by continuing the use of 40, I will get to feel as well as I could reasonably expect for a man of my age, 75 years. I hardly know how to estimate the value of the benefit I have already received from the use of No. 40, and cheerfully recommend it to anyone suffering as I was." Morris H. Pease. 40 is a combination of the best alteratives selected from the best prescriptions received and compounded by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. The best druggist in your neighborhood sells Number 40, but if it happens that he does not, send direct to J. C. Mendenhall Medicine Company, Evansville, Indiana, and receive it delivered to you at \$1.25 per bottle, six bottles for \$7.00.
